Nyeleti Health Product Pricing	per each, excl VAT, delivered	per each, incl VAT, delivered
Reusable Plastic Face Shields	R60.38	R69.43

### Shields have a number of advantages over masks

- First of all, they are endlessly reusable, simply requiring cleaning with soap and water or common disinfectants.
- Shields are usually more comfortable to wear than masks, and they form a barrier that keeps people from easily touching their own faces.
- The shields also allow visibility of facial expressions and lip movements for speech perception.
